Dear Friends:—With your own interest, will avail him more than your own. Your Society, especially when he can do as the same price charged by other papers, and easier than double the cost of the *Advertiser*.

This is no doubt, but every word true.

The *Sentinel*, though it is not a paper of any other paper, here, renders it for the element and most desireable in Milwaukee for all classes of Advertising.

ERRATUM.—By an error of the printer, the political leader in this issue is somewhat mixed. By placing the third paragraph before the second the matter will be remedied.

News Digest.

A jubilee was held at Springfield, Ill., on Thursday evening, in honor of the recent Republican victories in Pennsylvania, Indiana and Ohio. The crowd was clamorous, and they are already arranging separate electoral tickets.

A destructive storm occurred on the gulf of St. Lawrence last week, doing considerable damage to the shipping.

Three men were killed and several others dangerously wounded, by two brothers named Edwards, in a noble at Van Buren, Ark., on Saturday.

The steamer *Don't Drew* on Saturday made the run from New York to Albany in six hours and fifty minutes, including time at sea. The distance is 150 miles.

The ball to the Prince of New York was a perfect success. The Prince opened the ball with Mrs. Gov. Monroe, instead of Miss Fiske, as was announced.

The news from the Pike's Peak gold and silver mines continues of a favorable character.

The election in Nebraska is close—both parties claiming a victory.

Mr. Galusha A. Grow at Watertown.

The advocates of FREE HOME STATE and of the Rights and Interests of Free Labor, the Hon. Galusha A. Grow, speak at Watertown to-night. Some of our Milwaukee Republicans propose to visit Watertown on this occasion. We hope that a goodly delegation will attend from this city to unite with our Watertown brethren, in giving a warm welcome to the distinguished Representative from the old "Keystone," and in celebrating the splendid Republican victories just achieved in PENNSYLVANIA, OHIO and INDIANA.

Mr. Grow speaks at Portage City, tomorrow; at Fond du Lac on Wednesday, and in this city on Thursday. REPUBLICANS! BE ON HAND!

A Democratic Opinion of "Fusion."

The St. Paul Pioneer, leading Douglas organ in Minnesota, chronicles, with a heavy heart, the election returns from Ohio, Pennsylvania and Indiana, and adds the following brief, but expressive comment:

We presume the statements are substantially true; and our confidence will not permit us to doubt their accuracy. We are sorry to learn that we have given our voice on the subject of the political history of the country, and the time has come when the carriage of the party and principles, when the carriage was commanded by the political phœnix of the great Douglas, was a source of infinite pleasure. We have gained nothing by the honest interest of the conflicting organizations; and we believe our party has lost nothing by the same interest.

The Pioneer is right. Through the leaders of the DOUGLASS, BELL and BRACKINWICH parties were ready and willing to "fuse"—carrying nothing themselves for principles, but looking only to the spoils—the honest masses refused to be bought and sold in the political shambles, indignantly repudiated the corrupt and dishonest bargain, and administered to the "political pimp," who had consummated it, a rebuke that they will not forget during their natural lives.

Republican Rally at Racine.

On Thursday, October 16th, there is to be a grand Mass Convention of Racine and her sister counties, at the city of Racine.

The Wide-Awakes of all the southern counties in the State and in northern Illinois, have been invited. It will be an occasion of great brilliancy. The Hon. OWEN LOVEJOY, Hon. JOHN F. POTTER, Hon. JOHN WENTWORTH, Hon. J. R. DOOLITTLE, and HENRY CORDING, Esq., will be present.

Mr. LOVEJOY will commence speaking at one o'clock P. M. In the evening the Wide-Awakes will join in a grand torch-light procession.

A "DIABOLICAL" PLOT.—The notorious Appleton Crescent invents and the Madison Patriot copies, an absurd story about a "diabolical attempt to murder Judge LARABEE," by removing the planks of a bridge, over a deep gully which he was expected to cross, but didn't. Of course, the Crescent ascribes this "attempt" to "partisan malice." The Green Bay Advocate, an able and dignified democratic organ, explodes the whole pitiful fiction, by stating that the planks were displaced by the heavy rains, and adding; that there is no man of any party in Brown County willing enough to entertain such a thought as the Crescent invents. The Advocate well rebukes the foul libel upon the men of Brown Co.

P. L. F.

THE FIRST SENATORIAL DISTRICT.—Dr. L. J. CARY, Greenbush, is the Republican nominee in the Sheboygan district. Dr. C. has re-presented his Assembly district in the Assembly one term, in a highly creditable and satisfactory manner, and will doubtless be elected by a handsome majority.

The Republicans of Sheboygan county are up and doing. They promise a clean majority for LINCOLN and the whole ticket next month.

Dispatches to Lincoln.

The following dispatches, sent from the home of Abram Lincoln to this office, were received this morning:

NEW YORK, Oct. 10.—11 A. M.

Simon Cameron telegraphs from Harrisburg, that nothing has been done to the miners, and when we return to our counting room, produced sheets of applause.

Special dispatch to the Missouri Democrat.

SPRINGFIELD, Oct. 10.—11 A. M.

Under the heading "Lancaster," it is stated that the State of Lancaster, Pennsylvania, did a great day's work, last Tuesday. We have the *Herald* and *Examiner* of the 11th, with returns from all but six precincts. They indicate a majority of nearly six thousand in that staunch old Whig and Republican County, for CURTIS, and the whole Republican ticket. The Examiner is of Lancaster County, you have done your duty. You have acquitted yourselves nobly and bravely in the fight. Now, then, stand first for the battle of November. Let the shouts of FREEMEN ascend to heaven, and upward until it is the grand, glorious, final victory for LINCOLN and HAMILTON."

The LADY ELGIN DISASTER.—The London Times gives the following curious account concerning the loss of the *Elgin*:

"It is a remarkable circumstance that the explosion of the *Elgin* took place on the steps of Mr. Lincoln's residence. He excused Mr. Lincoln, saying he would address the nation from the eastern part of the city, and the crowd gathered outside, great enthusiasm prevailed. Fireworks were up in profusion. Salutes were fired and numerous stores and private residences were illuminated."

No Fusion in Pennsylvania.

SPRINGFIELD, Oct. 10.—3 P. M.

The regular Democratic State Committee, of which Mr. Welch is Chairman, met in this city yesterday, and adopted the following resolution:

"Resolved, That this Committee do hereby rescind its action at Philadelphia on the 2d of July and at Charleston on the 9th of August, that we recommend to the Democratic party of Pennsylvania to stand by the election ticket made by the Democratic State Convention, held at Reading on the 1st of March."

LATEST NEWS!

BY LAST NIGHT'S REPORT

Terrible Affray.

Van Dyke, Oct. 13.—3 P. M.

After a regal minister, which was held here to-day, three men named Rufus Jackson, Covington brothers and Richard, a son of the latter were killed by two men, names of St. John and Bell. Several others were slightly cut and otherwise injured on both sides.

An old feud existed between the parties; but the Edwards, who have long been the terror of this part of the State, are the aggressors.

While trying to make their escape, they were overtaken a short distance from town by the constable and posse, and lodged in the jail.

A large crowd nearly succeeded in taking them from the constable and handing them to the street, and they afterwards surrounded the jail for that purpose, but were finally pacified. The people are much excited. It is feared that the prisoners will be lynched. It is the most atrocious affair that ever was known here.
